About Us

Conner Rennie
Videographer

Conner is the founder and creative director of Bento Media, a forward thinking and energetic artist with a passion for videography, photography, music and design. Striving to push the boundaries of all digital media, he has the experience and creative mindset to turn any idea, vision or moment into an amazing memory that will truly last a lifetime.

Specialising in video, Conner is inspired to capture all the precious moments of your wedding day. He believes in telling a story of family, friends and two partners coming together as one, crafting a cinematic experience with strong video and moving music and sound.

Chay McLaren
Photographer

Chay is the photographer of Bento Media, an easy-going artist who deeply values the bond of marriage and the responsibility of capturing it. With vivid, crisp imagery that exudes naturalness, Chay is able to use his personality to set a calm atmosphere perfect for documenting what is authentic and real.

It's an effortless process that results in photographs that cover every moment, big and small. Additionally, every shot is full of color and light, bringing the environment and landscape to life and taking the viewer right back to the memory.

CK &
MANDY

"We had the pleasure of using Bento Media for our wedding video in March 2017. Conner was fantastic all day, totally unobtrusive, yet captured all the precious moments wonderfully. He worked great with our photographer and the finished product exceeded all our expectations, and his personal touch with the music really made it special. I wouldn't hesitate to recommend Bento media for any videography needs!"
