Absolutely awesome. From beautiful ceremony music to getting the entire wedding party dancing (ages 14-80 on the dance floor all night!!), I could not have asked for a better DJ - and had so many guests comment about how great you were. Would not hesitate to book again for any future events, thanks for making our special day so perfect!!

Fantastic service and professionalism at our Wedding. Knew just the right song to play and when. We never had to worry about a thing. Communications and consultations leading up to the big day were clear and accommodating. Also fantastic at accommodating all of our last minute changes! Thank you so much for helping to make our day so special. Flawless performance.

Thank you so much for your awesome work on our wedding day. We had the most incredibly fun time and you were a big part of that. From the very special moments of Ju and Kev performing, to the good sound quality of the ceremony, to the first dance smoothly mixed into some bangers...then onto the most epic wedding dance floor we have ever had the pleasure of being on (let alone it being for our wedding), you were outstanding. As you could tell by the fact the dance floor was full of passionate punters all night, our guest had the best time and we have had so many comments about it being “the best wedding ever!”
